City of Travelers Rest, South Carolina

Project Scope of Work

I. Introduction

The City of Travelers Rest is seeking proposals for a firm or individual to provide general landscape architecture/design and installation services for the North Poinsett Highway streetscape improvements.

II. Background

In 2018 and 2019, the City's Master Plan, the Poinsett Highway + Center Street Corridor Study, and Downtown Master Plan recommended streetscape improvements along Center Street and Poinsett Highway. The city recently was awarded funding to retrofit a segment of North Poinsett Highway to provide sidewalks and curb lawns among other improvements. The city intends to beautify, landscape, and prioritize user connectivity and safety along this corridor. The City's comprehensive plan, corridor study, and downtown master plan is available at <https://travelersrestsc.com/businesses/plans-projects/>.

III. Summary of Scope of Work

The scope of work for this project is outlined below. Additional tasks and work elements may be added during contract negotiations. It is also possible that tasks or elements could be removed through negotiations.

1. Create a low maintenance landscape design, and landscape maintenance plan for the North Poinsett Highway streetscape improvements.
2. Landscape plan must provide street lighting placement and street furnishing layout.
3. Landscape designs must feature drought tolerant perennials, native grasses, and trees.
4. Landscape designs should be innovative and must be created with the intent to minimize annual maintenance.
5. Develop cost estimates for the plans, specifications, and installation.
6. Bid and manage installation contract.

IV. Major Deliverables

- Final lighting, landscape, planting, and maintenance plans
- Cost estimates
