Re: Travelers Rest Diagonal and Signal Modification

Mr. Vinson,

We are pleased to submit the below bid to install the Diagonal Crossing and Signal Modifications at Main Street, Center Street and McElhaney Road.

_____ contracting is an approved SCDOT on-call traffic signal contractor (contractor # _____) and we will honor the on-call traffic signal prices for all items necessary to complete the installation show on drawings sheet 1-9 dated December 10, 2021 and bid schedule page 1 dated December 10, 2021. Based on the drawings issued for bid and the bid schedule we are pleased to provide the following bid price of: \$ _____. Please refer to the attached completed bid schedule and list of on-call unit prices. The final payment will be based on actual quantities installed, and will be adjusted for any overruns or underruns.

Installation of the project will begin in 30 days and will be complete by 120 days from the notice to proceed.

One invoice will be submitted for payment after a final inspection and the Engineer's satisfactory completion of a punch list.

Thanks,
