# ADVENTURE PARK at Trailblazer

## PLAY | GET OUTSIDE | COMMUNITY | INCLUSIVITY

The Adventure Park at Trailblazer is a joint project with the City of Travelers Rest and Greenville County Parks, Recreation and Tourism.

The City welcomes participation in all programs and activities by individuals with disabilities and special needs. We are committed to inclusion and providing public recreation services in the most integrated setting in which interaction between people with and without disabilities is provided.

The Adventure Park at Trailblazer will be the first park of its kind in Travelers Rest and Greenville County. The park includes options for children with limited mobility such as a round about and picnic tables. It also includes a zip line, jungle dome, picnic shelter, swings, obstacle course and more.

To ensure the City of Travelers Rest continues to provide quality recreation with accessible services to our growing community, it is vital we develop partnerships that help integrate connections.

The City of Travelers Rest understands the importance of partnerships between citizens, businesses and private corporations in order to extend shrinking resources. This program is another example of maximizing our resources by appealing to local business, corporations, interested groups and individuals for financial assistance.

Together we can provide safe, inclusive and accessible parks and places to enjoy the outdoors for all families within the City of Travelers Rest.

In honor of those contributions, recognition plaques will be placed on or near the items you help provide.

**Thank you for Bestowing a Recreational Gift.  
Your Assistance is Greatly Appreciated!**
