### **Council Committee Meeting Minutes**

**Monday, December 11, 2023**

**5:00 p.m.**

**Council Chambers, City Hall**

**Council Present:** Mayor, Brandy Amidon; Councilmembers Grant Bumgarner, Kelly Byers, Shaniece Criss, Catherine James, Lisa Lane, Sherry Marrah, Wayne McCall, and Brantly Vest

**Staff Present:** Eric Vinson, City Administrator; Carson Ruffrage, City Clerk; Mac McMakin, Assistant Fire Chief; Tim Kelley, Police Captain; Mike Forman, Planning Director; and Phillip Tate, Public Works Director

**Absent:** Greg Robertson, Fire Chief; Benjamin Ford, Police Chief

#### **1. Call to Order**

- a. Mayor Amidon called the meeting to order at 5:00 p.m.

#### **2. Public Works Committee**

***Members: Shaniece Criss (Chair), Lisa Lane, and Sherry Marrah***

- a. Chair Criss called the meeting to order by roll.
- b. Committee member Marrah made a motion to approve the minutes from the Public Works Committee meeting held on November 6, 2023. The motion was seconded by Committee member Lane.
- c. Committee Chair Criss thanked Public Works for the float. She also thanked Councilmembers Marrah and James for working on the float for the holiday parade. Director Tate thanked the entire Public Works staff for their hard work on the float.
- d. Director Tate is waiting to hear back about the Palmetto Pride grant by Friday or Monday. The department is working with Duke Energy to get more lighting on Main Street. Trash collection is going back to the old way (using the rear load truck). The arm truck wasn't suitable for the City's needs. The trees in the median of Highway 25 were trimmed from Roe and Little Texas to Tigerville. The report also reflects a litter pick up and shred event in November. The sign machine is in, but they are waiting for a few programs to load before operations begin. Lastly, the sidewalk in front of T&S Brass was repaired due to a 2-inch lip that was sticking up.

- e. Committee member Marrah asked about the speed limit signage that is unclear on Tubbs Mountain Road. Director Tate said that DOT has been notified and they are looking into the issue. DOT owns the sign, and they will need to correct it. There is also another signage issue on State Park Road that DOT is looking at.
- f. Councilmember Bumgarner wanted Director Tate to thank Greater Greenville for accommodating the city's needs concerning the trash pick-up truck.
- g. Councilmember McCall noted the bad condition of the lawn at Trailblazer where the Holiday Market was over the weekend. Director Tate said he would investigate the condition of the sod and noted the drainage in the field wasn't great.
- h. Committee member Lane made a motion to adjourn. Committee member Marrah seconded the motion.

### **3. Public Safety Committee**

***Members: Kelly Byers (Chair), Grant Bumgarner, Shaniece Criss, Wayne McCall, and Brantly Vest***

- a. Chair Byers called the meeting to order by roll call.
- b. Committee member Criss made a motion to approve minutes from the Public Safety Committee meeting held on November 6, 2023. The motion was seconded by Committee member Vest.
- c. The Police Department is at full staff. They do have two officers that are not certified but are currently going through training. There are 100-150 responses to the opinion survey. They will present it during the January Committee meeting. Committee Chair Byers thanked them for responding to the situation in front of Glenview Park. She noted that it was a tough situation for everyone involved.
- d. Chair Byers opened it up to the Committee for question. Committee member McCall asked about an accident at State Park and 25. Assistant Fire Chief McMakin noted that they had four calls at once: a structure fire, an EMS call, and another one. Committee member McCall wanted to thank North Greenville Fire Department for assisting. Chair Byers noted that the fire report wasn't included in the packet. The report was forwarded to the Council the next morning for review. Assistant Chief McMakin noted that call volume is normal, just more EMS calls than normal. Councilmember Lane asked about snow readiness, Assistant Chief McMakin stated that they are always ready for snow.
- e. Administrator Vinson noted a little bit of slowdown in permitting for the month. He also stated that the letters for tax exempt companies went out and he's met with both Furman and the Woodlands for a fee agreement in lieu of the ordinance. He does anticipate they will move forward.
- f. Councilmember Criss made a motion to adjourn the meeting. Councilmember Vest seconded the motion.

#### **4. Planning & Development Committee**

***Members: Brantly Vest (Chair), Grant Bumgarner, Kelly Byers, Shaniece Criss, and Wayne McCall***

- a. Chair Vest called the meeting to order by roll call.
- b. Committee member Byers made a motion to approve the Planning and Development minutes from the November 6, 2023 committee meeting. The motion was seconded by Committee member Bumgarner.
- c. Director Forman noted the Athens Street duplexes will be coming before Council in February. Their application was submitted in December. The numbers for the bike report are down. Committee member Criss asked what the price points for the duplexes were. Director Forman wasn't positive, but did think it was in the missing middle price range. The total number of units is unknown, but he didn't think they could fit anymore than four units. Councilmember Marrah asked about the community meeting and wanted to know if there would be ample time for public input. Director Forman noted there would be signage at the property, a newspaper ad, and on the city's website. Public input happens at the planning commission meeting in January.
- d. Director Forman gave a 5 year Planning update. There were four core elements to the original Comprehensive Plan. From those elements were 6 challenges and all recommendations tied back to those challenges. Over the last five years, they have been able to address many of those challenges. Residential and commercial requirements were updated. An ADU ordinance was created. New neighborhoods have to be connected to the city and streets in newer neighborhoods have higher standards. The rentals in the city are more structured in their requirements. The tree ordinance has been a success with some of the benefits can be seen in the new playground with 11 new trees. The zoning ordinance was updated by forming a downtown district with a more walkable, people friendly area. Public Safety was able to increase salaries. The addition of Beth Sicignano improved communications. Trailblazer and Athens park were updated with playgrounds. The city received a Forestry Grant that allowed us to inventory the trees along main street. The facade improvement program has assisted downtown business owners to improve their building frontage. Future agenda items include the the Poinsett project, the wheel park, and the Main and McElhaney diagonal just to name a few. Director Forman noted that the city is hitting a lot of the marks outlined in the plan.
  - a. Chair Vest opened discussion up to the full council. Mayor Amidon emphasized that Travelers Rest has done a good job of following through with the priorities of the Comprehensive Plan. Councilmember Bumgarner also noted the comments complaining about the growth may not understand how council has tried to mitigate the growth. Councilmember James wondered how the Comp Plan is getting out to the community to better understand what Council and the city have done. There were suggestions on how to accomplish that via the website and social media from various members. Committee member McCall wanted to know how many respondents were from outside the city. Director Forman stated that approximately 3/4ths of the respondents were city residents.

- b. Committee member Criss made a motion to approve the Comprehensive Plan 5 Year Update to 1<sup>st</sup> Reading. Committee member Bumgarner seconded the motion.
- e. Text Amendment for Article 5 and 6. Chair Vest opened the discussion up to the Committee. There being no questions, Committee member Byers motioned to move it to full council, Committee member Bumgarner seconded the motion.
- f. Councilmember Marrah suggested the city place important news on the website or notify residents via the app.
- g. Committee member Bumgarner motioned to adjourn; Committee member Byers seconded.

## **5. Ways and Means Committee**

***Members: Grant Bumgarner (Chair), Councilmember Criss, Councilmember Vest, Councilmember Byers***

- a. Chair Bumgarner called the meeting to order by roll.
- b. Committee member Vest made a motion to approve the November 6, 2023 minutes. Committee member Byers seconded.
- c. Chair Bumgarner introduced the Business License NAICS Code Change Scheduling Update. It is an item that must be voted on every other year. Chair Bumgarner opened it up to the Committee for questions. There being no questions Committee member Vest made a motion to move to full Council. Committee member Byers seconded the motion.

## **Public Works Summary for December 2023**

- **Sanitation:** We have stopped accepting requests for recycling carts. We delivered 2 roll carts for new residents in the month of December. We did not receive the Litter Crew Grant from Palmetto Pride this year. Please see attached report of year end Litter Pick Up numbers.
- **Road and Bridge:** We had 20 complaints about roads in the month of December. Eleven of these were handled by the city. Nine were sent to SCDOT. Six encroachment permits were signed for the month of December. We had a tree fall on Main Street Christmas Night during the rain. Public Works, The Police Department and Fire department along with SCDOT, Charter and AT and T, all responded to remove this tree from the roadway. Trees were trimmed in the median along 25 in several locations. This was funded by our tree mitigation fund.
- **Septic:** We received no request for septic tank reimbursement this month.
- **Building / Grounds Maintenance:** We are still receiving good feedback on Jan Pro, our cleaning service. Christmas Decor was installed in late November, and we will be removing some of it this week. We are planning to adjust and leave some of the lights on the trees on Main Street until late February.
- **Miscellaneous Items:** We are waiting on the county rec to get quotes back planning to apply a seal coat to the section of the trail in front of Loftis Printing to Roe Rd. Greenville County will provide the contractor for this. We had our Parade debriefing in December to help improve the safety for parade participants and patrons of the parade as well. We will meet again in July to finalize our plan to submit to SCDOT.

### Scott Pitmon:

Scott started work at the City of Travelers Rest in October 2023. Scott is a fairly new newlywed in which he and his wife Angie got married during the covid outbreak. Some of us who previously knew Scott was wondering if that day would ever happen!!! Scott is very devoted to his wife but most of all is very devoted to God.

He and Angie attend Locust Hill Baptist Church and are very active in the ministry. They are also new grandparents of a beautiful baby boy.

Recently Scott lost his mom to an ongoing illness. She was a very devoted mom to her 3 children and her husband Walt. Keep them in your thoughts and prayers as they travel this road without Miss Pat.

Scott works in the Public Works Department. Look for Scott on the roads or at Trailblazer Park or on the SRT and stop and say hello. He always has a smiling place and as many of us know, he doesn't meet a stranger.
